PRINT ON
Textured Canvas

Evolution of White

The rugged detailing of the Textured Canvas gives a sophisticated, yet organic feeling to your print.

Image Code: PI658-A · Custom sizes and colors available.

Substrate Options

WATERCOLOR PAPER
• PI620-A

Add a rich feeling your image with this textured paper. Choose watercolor paper for a handmade sophisticated look.

CANVAS • EZ954-A

The classic canvas substrate is durable and holds ink incredibly well. Our canvas is archival, high quality and long-lasting.

TEXTURED PAPER
• WC077-W

A highly decorative substrate which adds depth and intrigue to any print.

TEXTURED CANVAS
• PI658-A

The rugged detailing of the Textured Canvas gives a sophisticated, yet organic feeling to your print.

POSTER PAPER
• WP017-W

Slick, bright and high impact. This paper gives your image a glossy look. Ink sits on top of the paper, giving you maximum color saturation.

MATTE PAPER
• JJ095-A

Warm, muted tones add depth to your image. Ink saturates the paper giving a luxurious, nostalgic look.

PI FINE ART

Making quality custom artwork for over 40 years

At PI FINE ART we design and manufacture custom artwork, mirrors and wallcovering. We offer expert art consulting and quality art manufacturing for every kind of interior project. We work with our in-house studio artists to create over 200 new images every month, in addition to customizing unique PIFA Art Packages for your projects. All of our artwork is domestically produced in-house, which allows us to offer competitive pricing, shorter lead times and high quality products.

Custom Design

PI FINE ART is known for its exceptional ability to customize within brand standards or can create unique collections specific to your boutique design needs. Finish off your property's design with beautiful artwork that has been curated and developed by PIFA's team of art consultants, project specialists and in-house artists. Please inquire today for more details so we can begin creating your custom PIFA Art Package.
